

BENEDETTA ARMOCIDA MD MSc

Result driven, with robust organizational skills, attention to details and the ability to manage multifaceted activities in a timely manner. Fast learning curve, proactive, sensitive, with analytical communication skills. Collaborative team-player as well as a leader who performs by priorities.

EDUCATION

September 2020 present	Institute of Global Health, University of Geneva, within the Swiss School of Public Health (SSPH+) Doctoral Candidate in Global Health Project: "Burden of non-communicable diseases in adolescents across European Union and Economic European Area countries. Trends, risk factors and implications for a neglected population" Thesis Committee: Supervisor: Dr D. Beran (University of Geneva) Co-supervisor: Prof. P. Perel (London School of Hygiene & Tropical Medicine) Experts: Prof. S. Sawyer (Murdoch Childrens Research Institute); Dr F. Bustreo (Fondation Botnar); Dr L. Monasta (IRCCS Burlo Garofolo)
February 2017 April 2018	University of Florence, Italy Master's degree in Global Health and Tropical Medicine. Grade 104/110
September 2012 June 2013	Third Faculty of Medicine, Charles University Prague, Czech Republic Erasmus Program
September 2008 July 2014	University of Rome, Tor Vergata, Italy Degree in Medicine and Surgery. Grade: 110/110 with Honours
September 2003 July 2008	Liceo Socio-Psico-Pedagogico, istituto Santa Lucia Filippini, Nettuno, Italy High school Diploma. Grade: 100/100 with Honours

PROFESSIONAL QUALIFICATION

March 2015 present	Ordine dei Medici Chirurghi e degli Odontoiatri della Provincia di Roma, Italy Medical license registration (n. 61269)
-----------------------	---

WORK EXPERIENCES

February 2022
to present Department of Cardiovascular, Endocrine-metabolic Diseases and Aging
Italian National Institute of Health (Istituto Superiore di Sanità – ISS), Rome, Italy
Senior Researcher (Primo Ricercatore – Medico, II livello)
Sector: Public Health

Main activities: • European coordinator of the Joint Action EU4H-DP-g-22-06.03 Direct grants to Member States' Authorities: prevention of NCDs – cardiovascular diseases and diabetes • supporting the scientific activities of the department of cardiovascular, endocrine-metabolic diseases and ageing • Deputy Principal Investigator for ISS of the EU-funded I-CARE4OLD project • participating in the activities of the Global Burden of Diseases (GBD) group • leading and assisting the writing and publishing of academic papers • supporting the identification and definition of good practices on Long-COVID • assisting the development of the new Italian National Chronicity Plan • scientific collaboration with the Lancet migration European Regional Hub

April 2021 to
January 2022 Clinical Epidemiology and Public Health Research Unit
Institute for maternal and child health - IRCCS Burlo Garofolo, Trieste Italy
Research Assistant
Sector: Public Health and Epidemiology

Main activities: • supported the activities of the department and the overall coordination of the Italian Global Burden of Disease (GBD) Initiative • conducted research within the GBD • supported the NCDs (focus on diabetes) and the maternal and child health group of the Italian GBD Initiative • collaborated with the IHME and the GBD network • participated in international and national workshops and meetings • led and assisted the writing and publishing of academic papers

June 2021
to September 2021 Italian Red Cross
Medical Doctor in COVID-19 vaccination campaign
Sector: Healthcare

Main activities: • conducted the pre-vaccination anamnesis and clinical evaluations • provided information on the vaccination • administered vaccines • prepared activities for the management of the vaccination

February 2021
to June 2021 ASL ROMA 6, Italy
Medical Doctor in COVID-19 Emergency response
Sector: Healthcare

Achievements • provided medical care to SARS-CoV-2 positive patients • managed patients' activities of the unit • scheduled patients' treatments and diagnostic tests • assisted on the ward administration included pharmacy and materials procurement.

October 2019
to present Saluteglobale.it, Brescia, Italy
President
Sector: Global Health

Main activities: • managing and coordinating team activities • budgeting and funding raising • coordinating research activities • recruiting human resources

Achievements: • first author of a correspondence and a comment on The Lancet Public Health, and of a viewpoint on The Lancet Regional Health Europe • delegate for ISDE and Medicus Mundi International at WHA 70th and 72nd in Geneva • delegate for Italian Climate Network at COP23 in Bonn • co-authored in academic papers • co-hosted the side event "El Susto (The Shock): The Political and Commercial Determinants of Type 2 Diabetes" at 73rd World Health Assembly in collaboration with The Graduate Institute of Geneva and the Global Health Center • member of Geneva Global Health Hub (G2H2)

May 2020 and April University of Brescia, Italy

2021 and May 2022 Lecturer in Global Health

Sector: Global Health

Achievements: two online lectures (in 2020 and 2021) and one two days in presence lecture (in 2022) at the post-Graduate course in Global Health, University of Brescia. Lectures on "Migration and health" (2020), "Global Burden of Disease Study" (2021) and "NCDs - Trends, risks, and implications for public/global health" and "Global burden diseases: why it is relevant for noncommunicable diseases (NCDs)?" (2022).

December 2018 WHO Collaborating Centre for Maternal and Child Health, IRCCS Burlo Garofolo, Trieste,
December 2020 Italy

Research Assistant and Project Manager in Maternal and Child Health

Sector: Global/Public Health

Main activities: • supported the overall coordination of projects • conducted qualitative and quantitative research • participated in the development, implementation and evaluation of assigned projects • conducted a systematic review • responsible of the development of online database and survey • contributed to the development of training packages for data collection and entry • conducted data management and data monitoring and evaluation • managed an obstetric-neonatal database developed in Sri Lanka with more than 13,000 patients • supported the project management of "Implementation of WHO Standards for improving the quality of pediatric hospital care: cluster randomized controlled trial" • deputy principal investigator on the study "case finding and contact tracing" among health workers in Italy in the early stages of COVID-19 pandemic and during the subsequent phases • project manager of "EpiNICU: Empowering Parents of newborns in NICU: pilot before and after study to evaluate models of interventions in different settings" (Italy, Brazil, Sri Lanka, Tanzania) • co-authored academic papers

Achievements: • contributed to a mixed methods study on prenatal screening practices in collaboration with the WHO EURO • co-authored academic papers • drafted the protocol of a Cochrane Systematic Review • speaker at WHO Technical Consultation on strategies to improve the implementation of WHO recommendations of maternal health care in the WHO European Region • data manager and researcher in the study "Descriptive observational study to define the characteristics of Italian pediatric cases of COVID-19 and the approach to treatment"

November 2018 Gelre Ziekenhuizen, Apeldoorn, Netherlands

December 2018 Medical Doctor in Surgery

Sector: Healthcare

Achievements: • assisted in daily clinical activities of general surgery unit • scheduled patients' treatments and diagnostic tests • performed daily rounds • managed and assisted trauma patients at the Emergency Room • participated in department's lectures and seminars • earned Advanced Life Trauma Support Certification

January 2018 Doctors with Africa CUAMM, Bariadi and Songea, Tanzania

July 2018 Public Health Officer

Sector: Global/Public Health

Achievements: • supported as technical public health officer the project "The Next Generation Programme Integrated Promotion of Nutrition, growth and Development" in two Tanzanian Regions: Simiyu and Ruvuma • conducted the supervisions in 44 health facilities in Simiyu Region (4 malnutrition units, 8 HC and 32 dispensaries) and 14 health facilities in Ruvuma Region (11 out-patient clinics and 3 in-patient clinics) • supported the training about 50 local health workers on the management severe acute malnutrition • supported the monitoring and evaluation phase and data collection • assisted in the organization of community health workers' training in Bariadi DC, communities and peer groups around the Simiyu and Ruvuma Regions • contributed to the organization of a community screening day for women and children in the rural community of Songambebe • contributed to the organization and logistic of the Semi-Quantitative Evaluation of Access and Coverage (SQUEAC) conducted in Ruvuma Region • prepared the documentation for ethical approval of SQUEAC at National Institute for Medical Research • contributed to quarterly health data reports

June 2016 Private family medicine practices, Anzio, Italy

September 2017 Primary Health Care Doctor

Sector: Healthcare

Achievements: • managed daily patients' treatments and laboratory or diagnostic exams • provided medical care for 40 patients per day • scheduled daily activities • assisted patients in primary health care • performed vaccinations and medication prescriptions • disease prevention, health promotion and family planning

March 2016 University Medical Center Groningen, Netherlands

May 2016 Medical Doctor in Cardiac Surgery

Sector: Healthcare

Achievements: • managed daily patients' activities of the unit • scheduled patients' treatments and diagnostic tests • assisted on the ward administration included pharmacy and materials procurement • prevention of non-communicable diseases • assisted in the operating room and in intensive care unit

May 2015 University Medical Center Groningen, Netherlands

February 2016 Research Assistant in Cardiac Anesthesiology

Sector: Academia/Research

Achievements: • performed data collection, data entry, data cleaning and data analysis • coauthored an academic paper on the cerebral oxygenation during pediatric congenital cardiac surgery • contributed to two

posters: "The rheologic properties of red blood cells processed by 2 different types of cell savers, and its effects on microcirculatory blood flow and tissue oxygenation in vivo" for Wissenschaftlicher Arbeitskreis Kardioanästhesie Deutsche Gesellschaft für Anästhesiologie und Intensivmedizin and "Effectiveness and complications in the use of ultrasound guidance for vascular cannulation among 3rd year residents" for European Society of Anaesthesiology congress.

TRAINING

September 2022	Fundamental Concepts in Epidemiology (2 ECTS) University of Bern, Prof. Albert Hofman - Harvard T.H. Chan School of Public Health
August 2022	SPHPD: Strategic public health policy and planning in times of uncertainty: using systems modelling for evidence-based decision making (1 ECTS) SSPH+ Lugano Summer School in Public health Policy, Economics, and Management
August 2022	HFIN: How is the money being spent and what are we achieving? Tracking expenditures and assessing efficiencies to meet strategic objectives and inform policy and health system reforms (1ECTS) SSPH+ Lugano Summer School in Public health Policy, Economics, and Management
April 2022	Spring School of Global Health – Fundamentals of Global Health (2 ECTS) University of Geneva

March 2022	Create Online Virtual Interactive Discussions – A Short Course on approaches to online teaching (1 ECTS) Swiss Tropical and Public Health Institute, Basel
January 2022	SSPH+ ScieceFlash-Talk (1 ECTS) Swiss school of Public Health (SSPH+)
December 2021	Migration Health (1 ECTS) Swiss TPH
November 2021	Journal editing (1 ECTS) Swiss School of Public Health (SSPH+)
October 2021	WHO Global School on Refugee and Migrant Health World Health Organization
September 2021	Introduction to systematic review and meta-analysis (MOOC) Johns Hopkins University
August 2021	Multisectoral approaches for health: implications for policy and practice (1 ECTS) SSPH+ Lugano Summer School in Public health Policy, Economics, and Management
August 2021	NCD control in a global health perspective: Public health and systems strengthening approaches (1 ECTS) SSPH+ Summer School in Public health Policy, Economics, and Management
May 2021	Effective communication (1 ECTS) Swiss School of Public Health (SSPH+)
April 2021	Health System Assessment in Humanitarian Crises: an Introduction (1 ECTS) University of Geneva
January 2021	Swiss Epidemiology Winter School - Infectious disease models and their use in the SARS-CoV-2 pandemic (1 ECTS) Institute of Social and Preventive Medicine ISPM, University of Bern
November 2020	Introduction to Statistical Software STATA and Electronic Data Capture Software RedCap (1 ECTS) University of Bern
November 2020	International Development Approaches to Monitoring and Evaluation (M&E) Applications - Module I and II (2 ECTS) University of Geneva

October 2020	Qualitative research methods (MOOC) University of Amsterdam
July 2020 August 2020	Global Burden of Disease online training Institute for Health Metrics and Evaluation (IHME)
November 2019	Cochrane Systematic Review Course Belgium Cochrane Group, Leuven, Belgium
September 2019	NCDs in Humanitarian settings University of Copenhagen, online course
November 2018	Advanced Trauma Life Support ALSG, Tilburg, Netherlands
October 2018 January 2018	An introduction to Global Health University of Copenhagen, online course
October 2017	Laboratory testing and clinical diagnosis in tropical countries Ospedale Sacro Cuore Son Calabria, Negrar, Italy
October 2014	Visiting Doctor in cardiovascular surgery Saint Luc Hospital, Bruxelles, Belgium
October 2013 July 2014	Research internship in Cardiac surgery Marfan Syndrome Center, University of Rome, Tor Vergata, Italy
August 2013 September 2013	Clinical Clerkship in Cardiac surgery Queen Elizabeth II Health Science Centre, Halifax, Canada
August 2012 September 2012	Observership in Pediatric cardio-thoracic surgery Harvard Medical School - Boston Children's Hospital, MA, USA
December 2011	Observership in Cardio-thoracic and vascular surgery Cleveland Clinic, OH, USA
August 2010	Third Surgery Summer School in Iasi, Romania

ADDITIONAL INFORMATION

Career Highlight

- June 2023 and August 2022: Event coordinator - 1st Swiss Global health Film Festival and 2nd Swiss Global health Film Festival
- May 2022: Collaborator - Lancet migration European Regional Hub
- October 2021: Collaborator - Research Group on Global Noncommunicable diseases, University of Geneva
- October 2021: Student representative at Swiss School of Public Health (SSPH+) Inter-university Graduate Campus
