CONCERTO

## PROGRAMME | Friday, June 6<sup>th</sup> 2025

13:00-13:50 Welcome lunch and Registration

13:50 Welcome and Presentation

14:00-16:20 **I SESSION**

*Moderators: Sara Lega, Claudio Romano*

*Introduced by two resident case presentations*

14.00 **Therapeutic targets in rheumatology and gastroenterology: the past, the present and the future. What should we aim for in our patients?**  
*Fabrizio De Benedetti, Marla C. Dubinsky*

14.50 Discussion

*Introduced by two resident case presentations*

15.00 **How to get the best out of biologics: combining, monitoring, sequencing and switching between biologics and subcutaneously. What can rheumatologists learn from gastroenterologists and vice versa**  
*Gabriele Simonini, Marco Gasparetto*

15.50 Discussion

16:00 **Frontiers of cytokine inhibition in rheumatology: IL-1 blockade, from autoimmune to autoinflammatory disorders**  
*Andrea Taddio*

16.20-16:50 Coffee break

## PROGRAMME | Friday, June 6<sup>th</sup> 2025

16:50-18:50

### **II SESSION**

*Moderators: Serena Pastore, Matteo Bramuzzo*

*Introduced by two resident case presentations*

16:50

### **Old therapies: which to abandon and which to keep in our practice or in specific patients**

*Tadej Avcin, Iva Hojsak*

17.40

Discussion

*Introduced by two resident case presentations*

17:50

### **JAK-Inhibitors and S1P modulators in practice: which ones and for which patient? Practical points for the Rheumatologist and the Gastroenterologist**

*Speakers: Stefano Volpi, Marina Aloï*

18.40

Discussion

## PROGRAMME | Saturday, June 7<sup>th</sup> 2025

8:30-10:50

### III SESSION

*Moderators: Marina Aloj, Alberto Tommasini*

*Introduced by two resident case presentations*

8:30

#### **When genetics is the culprit: when to consider genetics and what to do**

*Christian Hedrich, Sara Lega*

9.20

Discussion

*Introduced by two resident case presentations*

9:30

#### **Inflammation, immunomodulation and cancer: risk factors and surveillance strategies in rheumatology and in gastroenterology**

*Marco Cattalini, Paolo Lionetti*

10.20

Discussion

10:30

#### **Frontiers of cytokine Inhibition in gastroenterology: anti IL-23 blockade, advancing molecular knowledge and therapy**

*Angela Variola*

10:50 -11:20

Coffee break

## PROGRAMME | Saturday, June 7<sup>th</sup> 2025

11:20-13:15

### IV SESSION

*Moderators: Marco Gasparetto, Iva Hojsak*

*Introduced by two resident case presentations*

11:20

**Keep Healthy: what should we discuss with our kids and adults to be**

**Tandem Talk on hot topics and key facts: growth, immunizations, mental health, sports, fertility and more**  
*Andrea Taddio, Marla C. Dubinsky*

12:10

Discussion

*Introduced by two resident case presentations*

12:20

**Growing-up: pediatric and adult perspectives on transitioning in 5 key steps**

### **In Rheumatology**

*Serena Pastore, Alen Zabotti*

### **In Gastroenterology**

*Matteo Bramuzzo, Renato Sablich*

13:10

Common discussion

13:20-13:30

**Closing remarks**

# GENERAL INFORMATION

## CONGRESS VENUE

Savoia Excelsior Palace Trieste  
Starhotels - Riva del Mandracchio, 4, 34124 Trieste TS

## REGISTRATION FEE

FREE PARTICIPATION

## ITALIAN CME ACCREDITATION

Provider: Biomedica 148 - CME number: 441664

CME categories and disciplines: Biologist, biologist, Psychologist, Psychology; psychotherapy; Surgeon (medical doctor), Pediatric surgery; clinical pharmacology and toxicology; gastroenterology; medical genetics; medical genetics laboratory; metabolic diseases and diabetology; general medicine (family doctors); internal medicine; pediatrics; pediatrics (freelance pediatricians); rheumatology; food science and dietetics; Pediatric nurse, Pediatric nurse; Nurse, Nurse; Pharmacist, Pharmacist in other sectors; public pharmacist (national health service); community pharmacist; Dietitian, Dietitian  
Learning objectives and learning area: Acquisition of Process Competencies  
Educational Objectives: Clinical Documentation; Diagnostic and Rehabilitation Clinical-Care Pathways; Assistance Profiles – Care Profiles

Learning hours: 9 - CME Credits: **6.3**

To be eligible for credits, it is necessary:

- have clocked in and out
- have attended at least 90% of the training activity of the event
- have completed and returned the self-certification that will be delivered at the time of registration
- have completed the online satisfaction and evaluation questionnaire on the <https://elearning.biomedica.net/> website. On the same site it will be possible to download the CME and attendance certificate.

As per the Agenas Press Release of 23 June 2014, it is also specified that it is possible to complete only one (and non-repeatable) verification test online. For more information <http://ape.agenas.it/>

## CANCELLATION AND REFUND POLICY

For cancellations received by the Organizing Secretariat, a refund of 50% of the fee is provided only if the cancellation is communicated to the event secretariat within 20 calendar days from the start date. The refund of the fee will take place within 30 days from the date of communication of the withdrawal. No refunds will be made for unused registration fees, for which the relevant withdrawal has not been received within the established deadlines. At any time, however, it is possible to replace the name of the member by sending a communication to the following address: [convegna@biomedica.net](mailto:convegna@biomedica.net) (In the case of sponsor companies, please note that the replacement of the name must be done exclusively online through the appropriate platform). Any refund will be made after the conclusion of the event. There is no reimbursement of any expenses incurred for logistical aspects (accommodation and travel).

## CERTIFICATE OF ATTENDANCE

All regularly registered participants are entitled to a certificate of participation. The certificate will not be delivered in paper form but must be printed by the participant starting from the day after the event in the area <https://elearning.biomedica.net/>

To request login credentials, if lost, please use the "Recover Password" function.
