Die mobile Pflege von diabetischen Kindern in Österreich
Damm, Lilly, Ribar-Pichler, Johanna - Padiatrie & Pädologie - dx.doi.org
Zusammenfassung Viele Probleme im Schulalltag sind in Österreich noch ungelöst, beispielsweise die sichere Teilnahme der diabetischen Kinder an Schulausflügen, Wandertagen, Schikursen. Die Lehrer benötigen für die Betreuung vor allem Unterstützun...

Cliccando sulla stella a destra della barra si potrà salvare la ricerca

The screenshot shows the BURLO search interface. At the top, there's a navigation bar with links: Home, Fai una ricerca (Discover), Library e-Resources, and Cerca un articolo (Citation Matcher). A blue notification bar on the right states: "Your search has been saved. You can view the saved searches in My Saved Searches under My Profile". Below the navigation bar, a search bar contains the text "diabetic school children" and a filter "Last 6 months". To the right of the search bar is a star icon and a magnifying glass icon, with the text "Advanced Search" below them. Below the search bar, there are buttons for "Full Text", "Export", and "Mail". The main content area displays "9 results". On the left, there are filters for "Full Text", "Subject(s)", "Publisher", and "Language(s)". The "Subject(s)" filter shows a list of subjects with counts: CDC73 Mutation (1), Control, Robotics, Mechatronics (1), Engineering (1), HRPT2 Mutation (1), Medicine & Public Health (1), Pediatrics (1), Diabetes (1), and more... (1). The "Publisher" filter shows a list of publishers with counts: Elsevier BV (2), De Gruyter (1), Diabetic Medicine © 2016 Diabete... (1), RCN Publishing Company Limited (1), SAGE Publications (1), Springer (1), SpringerMedizin (1), and more... (1). The "Language(s)" filter shows "English" (9). The search results are listed on the right, each with a small thumbnail image, a title, and a brief description. The results are: 1. "Die mobile Pflege von diabetischen Kindern in Österreich" by Damm, Lilly, Ribar-Pichler, Johanna - Pädiatrie & Pädologie, 2016 - dx.doi.org. 2. "Impact of the Balanced School Day on Glycemic Control in Children with Type 1 Diabetes" by Stein, Ri, Doulla, M, Seabrook, JA, Ya... - Canadian journal of diabetes, 2016 - www.ncbi.nlm.nih.gov. 3. "Nurses struggle to help pupils with long-term conditions." by Longhurst, C - Nursing children and young people, 2016 - www.ncbi.nlm.nih.gov. 4. "Functional hearing deficits in children with Type 1 diabetes" by Rance, G., Chisari, D., Edvall, N., Ca... - Diabetic Medicine, 2016 - dx.doi.org. 5. "Supporting the Student's Graduated Independence in Diabetes Care." by Jackson, CC, Albanese-O'Neill, A - NASN school nurse (Print), 2016 - www.ncbi.nlm.nih.gov. Each result has a "Bookmark" button and a "Record details" button.

cliccando sulle parole chiave si potrà eseguire nuovamente la ricerca e scegliere la frequenza con cui ricevere e-mail quando vengono trovati nuovi risultati.

The screenshot shows the BURLO "Saved Searches" page. At the top, there's a navigation bar with links: Home, Fai una ricerca (Discover), Library e-Resources, and Cerca un articolo (Citation Matcher). On the right, there's a "Hello Fulvia" message and links for "My Profile" and "Log out". Below the navigation bar, there are tabs for "Account Settings", "Saved Searches", "Discover Bookmarks", "TOC alerts", and "eResources bookmarks". The "Saved Searches" tab is active. Below the tabs, there's a message: "Below is a list of your saved Discover queries. You can click on the keywords to rerun the search. Optionally you can receive an email when new results are found." Below this message, there's a list of saved searches. The first search is "diabetic school children (11/17/2016)". To the right of the search name is a dropdown menu with the text "Send an alert when new results are found:". The dropdown menu is open, showing options: "Never", "Daily", "Weekly", and "Monthly".

Cliccando sulla croce a destra della ricerca si cancella il salvataggio

The screenshot shows the BURLO "Saved Searches" page after deleting a search. At the top, there's a navigation bar with links: Home, Fai una ricerca (Discover), Library e-Resources, and Cerca un articolo (Citation Matcher). On the right, there's a blue notification bar that says "The item has been deleted." Below the navigation bar, there are tabs for "Account Settings", "Saved Searches", "Discover Bookmarks", "TOC alerts", and "eResources bookmarks". The "Saved Searches" tab is active. Below the tabs, there's a yellow message box that says: "You do not have any saved searches. You can save any searches you perform using Discover for later use, and even have us send you an email when new results are found."
